Frameworks and Libraries: Node.js, React Native, Express, jQuery, Mongoose, Django

Database: MongoDB, PostgreSQL, SQL

Tools/Other: Git, GitHub, RESTful APIs, MERN stack applications, Heroku

PROJECTS

Qwiz.me | React, MongoDB, Mongoose, Express, Node | [Github Link](#)

- Full stack self-study app that provides users with full CRUD functionality, allowing them to study and quiz themselves by creating their own flashcard sets. Integrated Open Trivia DB API & ChuckNorris.io API for additional entertainment features.

This for That | Python, JavaScript, Django, PostgreSQL, AWS S3 | [Github Link](#)

- Built in a group of 3 - A full CRUD application based around trading items with others, all without the exchange of any money.

my.Picks | JavaScript, Node.js, Express | [Github Link](#)

- An aggregator of sports-gambling tips and advice, where users can come to look up game/player/team stats all in one place. Users have full CRUD ability to add to discussion threads and join in on the conversation.

RELEVANT EXPERIENCE

Sprint Participant | The Opportunity Project | Remote | May 2023 - Present

Created a health and personal security data app for The Opportunity Project, a collaborative initiative led by the FDA, US Census Bureau and the US Department of Commerce. Leveraged federal data to empower consumers through knowledge of their rights regarding the privacy and security of their healthcare data. Worked alongside 15+ Software Engineers, UX/UI Designers and Data Scientists, to deliver the product utilizing Agile methodologies.

Software Engineering Immersive Fellow | General Assembly | Remote | December 2022 – March 2023

Completed over 500 hours of expert-led instruction in highly sought-after technologies, including JavaScript, Python, MongoDB, Node.js, and React. Gained hands-on experience in developing web and mobile applications, with a strong foundation in industry-standard best practices.

Executive Recruiter | CyberCoders | Los Angeles, CA (Remote) | February 2020 – May 2022

Promoted to Executive Recruiter after one year due to outstanding performance and exceeding recruitment goals. Established and cultivated a portfolio of clients, successfully filling new job orders on a quarterly basis. Working as a full-cycle, full-desk recruiter, I specialized in Public/Private Accounting, Corporate Finance, Construction, Mortgage and Tech.

Accounting Analyst | Evolve Media LLC | Westwood, CA | August 2018 – February 2020

Funding Manager | Currency Capital LLC | Santa Monica, CA | June 2016 - May 2018

EDUCATION

General Assembly | Software Engineering Immersive | Remote

University of Southern California | B.S. International Relations | Los Angeles, CA
